

AUT750 Water-Cooled MIG Guns

AUT750 Assembly and Consumables

AUT750 Body Cable Assembly

ITEM NO.	DESCRIPTION	PART NO.	ITEM NO.	DESCRIPTION	PART NO.
1	AUT 750 w/Diffuser, Nozzle, and Tip .094 (Std)	974.0001	15	Clamp Hose 9.5mm with Bridge	173.0001
	AUT 750 Coarse Thread with Airblast, Diffuser, Nozzle and Tip .094 (Standard)	974.0047	16	Center Airblast Nipple (needed for airblast) optional	940.0040
	AUT 750 with Stainless Steel Sleeve	974.9003	17	Center Airblast Nut (needed for airblast) optional	500.0138
	AUT 750 Coarse Thread with Stainless Steel Sleeve	974.9005	20	Diffuser AUT 750 without Airblast (Std)	974.0032
2	Inner Barrel AUT 750 (for regular and coarse thread) 6mm I.D.	974.0004	20A	Insulator AUT 750 (with airblast)	974.0021
3	Outer Barrel AUT 750	974.0005		Insulator AUT 750 coarse thread (with or without airblast)	974.0044
	Outer Barrel AUT 750 Coarse Thread	974.0046	21	Contact Tip .045" M10 CZ	140.0481
	Outer Barrel AUT 750 Coarse Thread with Stainless Steel Sleeve	974.9006		Contact Tip .052" M10 CZ	140.0547
4	Washer Insulating AUT 750	974.0022		Contact Tip .062" M10 CZ	140.0616
5	Insulator Mounting AUT 750	974.0027		Contact Tip .078" M10 CZ	140.0665
6	Wireguide .177" ID. (4.5mm) AUT 750	974.0030		Contact Tip .094" M10 CZ	140.0698
	Wireguide .213" ID. (5.4mm) AUT 750	974.0031		Contact Tip .110" M10 CZ	140.0712
7	Plug Air-Blast Inlet	974.0029		Contact Tip .126" M10 CZ	140.0734
8	Fitting Water Elbow .25"	974.0006	22	Nozzle Conical AUT 750	145.0019
9	Gas Fitting AUT 750 .125"	974.0007		Nozzle Cylindrical AUT 750mm 24mm I.D.	145.0005
10	Nut	710.0014		Nozzle Conical AUT 750 Coarse Thread	145.0498
11	Insulator	940.0035	23	Adapter for Direct Mount (optional, for use with adapter plugs)	974.9004
12	Nut	500.0082	24	Liner Steel .035-.045 3'	122.9064
13	Assembly Screw	009.0064		Liner Steel .052-.062 3'	122.9065
14	Water Hose Bulk	103.0001		Liner Steel .078-.125 3'	122.9066
			25	Adapter Plug Miller	501.9705

* Additional rear end plugs available for most major wire feeders. Please call customer service at 1.800.542.4867.
